

NEW BUSINESS PARTNER REGISTRATION

Thank you for partnering with the School District of Manatee County.

To connect with one or more schools, all businesses must register in the “*Partners in Education*” Program, PIE.

To create a NEW account in the *Partners in Education* Program, visit <http://partners.manateeschools.net/> and click on “Partner Registration”

Partners In Education connects small businesses, major corporations, community organizations and government agencies with schools in Manatee County. Mutually-beneficial relationships are built to create successful partnerships, to develop unique methods of accomplishing educational goals. The partnerships result in opportunities for students that would otherwise be impossible, with the ultimate goal of increasing student achievement.

New Partnership Request

Once you are registered in the system, create a new business partner request. This is the first contact made with the Business Partner Coordinator at the school site, so providing as much information as possible is essential. The description will inform the school how you would like to partner, whether it be with a financial donation or in-kind services.

BUSINESS PARTNER #1167 SINCE 7/3/2014
BUSINESS LAST RENEWED FOR 2020 SCHOOL YEAR

• **Business / Organization**

• **Address**

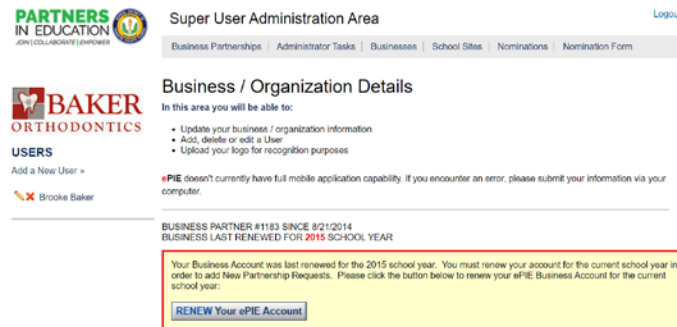

• **City**

• **State**

At the end of the school year (July) the district administrator will change the dates within the system so the new school year is created.

Each business needs to do two things, after an automated email sent from the PIE system to ALL business partners:

1. Renew their registration in PIE

2. Create a “NEW” partnership request with a school or multiple schools to reestablish a partnership.
