

MRS. ZENON-RICHARDSON'S WELCOME BACK PAW PRINT NEWSLETTER

PANTHERS BELIEVE! PANTHERS ACHIEVE!

Success is the sum of small efforts, repeated day-in and day-out.

Welcome Back, Panthers!

WE ARE EXCITED TO WELCOME BACK ALL STUDENTS TO CAMPUS ON TUESDAY, AUGUST 10TH! (STUDENTS WILL START IN HOMEROOM AT 9:15 AM & WILL BE DISMISSED AT 4:10 PM.)

21-22 school year promises to bring many changes at Braden River Middle School. While we will return to our pre-Covid scheduling & protocols, we have learned a valuable lesson about keeping each other safe and will maintain practices like hand-sanitizer in every classroom, daily cleaning and sanitizing, and staying home when ill. Masks are now optional & we welcome whatever makes your child comfortable.

Construction is continuing this year. Students will return to a newly expanded cafeteria and newly renovated classes in Building 6. Building 1-(the administrative office, media center & science classes) and Building 8-(new 6-classroom building) are still under construction, which means the administrative office has been temporarily placed in the multi-purpose room (adjacent to the gym), the media center has been relocated to rm. 410, and all science classes will start the year in the Learning Cottages (portable classrooms). By the start of the 22-23 school year all phases of construction will be completed; however, in the meantime, we will make the best of our situation.

In order to prepare your child for his or her return, please review the student handbook on the website to ensure a successful start. We plan to start strong, be strong, stay strong & finish strong. But this cannot be done without the support of every parent and school community member working with teachers and staff members for the greater good of our students

Best regards,

Mrs. Zenon-Richardson
Proud Principal
