

HEALTH HERO FLORIDA

You Keep Them Learning, We Keep Them Healthy

9/23/22

Dear Parent/Guardian,

In partnership with Manatee County Public Schools, it is our pleasure to offer on-site flu vaccinations at your student's school. Flu clinics will be offered at each school location during school hours. Health Hero Florida flu vaccination clinics are completely voluntary and are offered to ALL consented students, regardless of their insurance coverage.

Why get a flu vaccine?

The best way to minimize or avoid the spread of flu is to get an annual flu vaccination. Each year the vaccine protects against new strains, therefore, the vaccine should be administered annually.

Who is Health Hero Florida?

Health Hero is a school-based mass vaccinator with the sole focus on delivering safe, efficient vaccination programs in schools to raise immunization rates and lower student absenteeism. Our mission is to make immunizations available to every student, helping to stop diseases like the flu A and B in their tracks.

What type vaccines will be given?

IIV-4 injections will be available to all consented children who do not have any contra-indicators. All vaccines given are preservative-free, mercury-free, Thimerosal-free and administered by state-licensed nurses.

What do you need to do to participate?

If you wish for your child to participate, please COMPLETELY fill out and sign a consent form. These forms need to be returned to your child's school by **Monday, October 17** to secure a dose for your child. The clinic will be held on **November 9, 2022**.

For further information you can also visit our website at www.beahealthhero.com. We hope to see your child in clinic!

Warmest regards,

Your Health Hero Florida Team
