

UPDATE FOR STEAM PARENTS

SCHEDULING CONSIDERATIONS

Due to changes resulting from COVID, major changes had to be made to our master schedule. Based on enrollment in the different learning modalities, restrictions with teaching capacities, financial constraints and the need to build three instructional models within one school, we were not able to maintain the STEAM team approach for the four core classes. We have; however, managed to have at least one STEAM teacher at each grade level & learning modality. All classes will continue a high level of instruction in all learning modalities. If you have any concerns, please feel free to contact Mrs. Zenon-Richardson, Principal at 751-7080.

Join TSA

TSA will be offered both after school & virtually.

Visit their new website for more info: brmsta.club

STEAM Schoology group

Enrichment opportunities will be provided for STEAM students through this group. Students will have the opportunity to participate in competitions, work together collaboratively & continue their excitement for learning.

ENTERING 6TH GRADE: SIGN IN TO SCHOLOGY AND JOIN WITH THE FOLLOWING
