

What Happens After You Submit Your College Application?

You will receive an email from the college(s)

MAKE SURE YOU READ IT CAREFULLY!

You may not be done yet – there may be additional materials required to complete your application

Application Status Check/Portal

- Colleges will give you instructions on how to create your portal
- Make sure all additional materials have been received
- **Complete any additional requirements** – like the SSAR, Test Scores, etc.
- May be deadlines to get these materials in!
