

Manatee High School College Preparatory Academy

**Because of the elimination of state testing due to the COVID-19, we've made a few changes for this year only (additions are underlined and omissions are crossed out):*

Acceptance Criteria for 9th and 10th Grades

- Earn 2nd semester grades of A's or B's in all academic courses: English, Math, Science, & Social Studies
- Earn at least one 4 on Reading or Math state assessments from last year (MUST score at least a 4 on the Algebra 1 EOC if already taken).
- ~~Earn at least a 4 on Reading and Math state assessments (at least a 3 on Geometry)~~
- ~~Earn at least a 3 on the Science or Biology state assessments~~
- Participation in at least one honors high school credit class the year before acceptance
- Acceptable behavior
- Signed letter of commitment to remain in all 4 academy classes the entire year

Final acceptance into the program will be based on this year's final grades, your previous year's standardized assessments (FSA and EOC), and a holistic view of each applicant as a student. Because of the changes we've made in acceptance criteria, all new members will be considered probationary and will be re-evaluated after 1st quarter to ensure correct placement.
