

Manatee High School College Preparatory Academy

The goal of the College Preparatory Academy is to prepare students for the rigor of post-secondary education at the college or university of their choice. Completion of the College Preparatory curriculum will give students the analytical, communication and research skills to be successful in college and ultimately achieve their career goals. The College Preparatory Academy reinforces Manatee High's commitment to excellence by increasing the student's potential to earn college credit while in high school. This program offers the academically talented student an opportunity to pursue a challenging, in-depth liberal arts education beginning in the 9th grade and continuing through the 12th grade. Students may apply to College Preparatory Academy before the beginning of their 9th or 10th grade years.

Acceptance Criteria for 9th and 10th Grades

1. Earn semester grades of A's or B's in all academic courses: English, Math, Science, & Social Studies
2. Earn at least a 4 on Reading and Math state assessments (at least a 3 on Geometry)
3. Earn at least a 3 on the Science or Biology state assessment
4. Participation in at least one honors high school credit class the year before acceptance
5. Acceptable behavior
6. Signed letter of commitment to remain in all 4 academy classes the entire year

AP Capstone Diploma

All MHS College Preparatory students will be given the exclusive opportunity to take two AP Capstone courses. AP Capstone™ is a diploma program based on two AP courses: **AP Seminar** and **AP Research**. These yearlong courses focus on developing the critical thinking, research, collaboration, time management, and presentation skills you need for college-level work.

- If you earn scores of 3 or higher in AP Seminar and AP Research, and on four additional AP Exams of your choice, you'll receive the **AP Capstone Diploma™**.
- If you earn scores of 3 or higher in AP Seminar and AP Research, you'll receive the **AP Seminar and Research Certificate™**.
