## TECHNICAL ASSISTANCE AND THE PARENT & FAMILY ENGAGEMENT PLAN (PFEP)

We believe in involving parents in all aspects of our school. Our parents together with our SAC (School Advisory Council) have the responsibility for developing, implementing and evaluating the various school level plans, including the SIP (School Improvement Plan) and PFEP (Parent & Family Engagement Plan). Parent meetings are held at various times to provide additional opportunities for the involvement of more parents to discuss and carefully deliberate changes that are needed to the PFEP. Results of the parent surveys are reviewed by parents and members of SAC to determine needed changes. The survey results are also reviewed and discussed with parent workshop groups. Parent workshop groups and family events are offered at various times to increase parent participation and involvement. Input to include parent surveys is gathered during parent meetings regarding how parental involvement funds will be used.

### STAFF TRAINING

Staff training will be done to educate staff on the value and utility of contributions of parents; how to reach out to, communicate with, and work with parents as equal partners; the implementation and coordination of parent programs; and how to build ties between parents and the school [Section 1118 (e)(3)]. Staff training will be done on annual meetings as well as through committees to plan events around family needs.

### PARENT SURVEY

An annual Title I survey will be sent to our families. It is very important that you complete this as it helps us adjust current practices to better meet the needs of students and families.

## SCHOOL COMPACT

We ask that all families, teachers, and students complete a School Compact. It is our way of creating an agreement that connects families and school.

Oneco Elementary staff is committed to delivering high quality content and instruction in a safe and supportive learning environment. Our goal is to partner with families to help ensure that **ALL** students meet or exceed academic achievement standards and to encourage children to be life-long learners.

#### As a teacher/school, we will communicate your child's progress in the following ways:

- Parent/Teacher conferences, report cards, progress reports
- Assessment results, classwork
- Agenda updates, phone calls, and emails.

#### As a family, we are committed to the following:

- Ensuring my child is at school on time each day.
- Supporting homework completion and ensuring daily reading occurs.
- Responding to school communication and attending scheduled meetings.
- Completing the Annual Needs Assessment for our school.
- Asking for help when needed.

#### As a student, I am committed to the following:

- Being Safe
- Being Responsible
- Being Respectful
- Completing all class/homework assigned
- Reading every night
