BUSINESS AD FORM

Dear Business Owner and Community Leader,

Southeast High School is offering you a unique opportunity to show your support to our students and our community by advertising your business or provide a sponsorship for our 2018-2019 Arrowhead Yearbook. Your purchase of ad space accomplishes much more than just advertisement of your business.

Benefits of advertising in Arrowhead:

- * Ads and/or donations help keep the yearbook cost to students affordable.
- * Ads and/or donations fund scholarships to deserving students.
- * Ads and/or donations provide funds to purchase desperately needed equipment.
- * Ads and/or donations provide the capital to fund a realistic "business venture" that teaches necessary life skills to students.

We have the ability to use your professionally created ads or we can design a professional quality ad for you. Your ad will appear in over 300 copies of the Arrowhead and will be viewed by thousands of students, parents, family members, and businesses across our community.

Business Ad Rates:

Our rates for full-color ads are very competitive. Sizes are approximate and will depend on the theme incorporated throughout the book.
