| STRATEGIC PLAN GOALS 2020-2022  | STATUS           | % OF<br>METRIC<br>COMPLETE | REASON/NOTES  |  |
| STUDENT ACHIEVEMENT   |                  |                            |   |  |
| GOAL 1: By 2023, 56% of our third-grade students will meet or exceed grade-level expectations for reading   |                  |                            | 21-22 3rd grade reading was 46%, a 5% decrease from 18/19. The state also saw a 5% drop.  |  |
| Metric 1: Quarter 1 Diagnostic & Benchmark Assessments Metric Completed - November 2020   | Metric Completed | 100%                       | Q1 2021-22 3rd grade reading: 50%, slight trend upward (previous year Q1 was 49%)   |  |
| Metric 2: Quarter 2 Benchmark Assessments - February 2022   | Metric Completed | 100%                       | Q2 2021-22 3rd grade reading: 49%, same as last year at this time (previous year Q2 was 49%)  |  |
| Metric 3: Quarter 4 - 2nd Grade Assessment - May 2021   | Metric Completed | 100%                       | Completed   |  |
| Metric 4: Florida State Assessments (FSA) - May 2021  | Metric Completed | 100%                       | 21-22 3rd grade reading was 46%, a 5% decrease from 18/19. The state also saw a 5% drop.  |  |
| GOAL 2: Increase the average high school graduation rate by 2% points each school year (baseline: 2018-2019, 83.2%).  |                  |                            | 19/20 grad rate was 86% which was an increase of 2.8% from SY 18/19. 20/21 grad rate projected at 84%   |  |
| Metric 1: Monitor Credits and GPA (including Credit Recovery courses) - Quarterly   | Metric Completed | 100%                       | Continous review of this data is on-going throughout the SY.  New processes being developed / grad rate team.   |  |
| Metric 2: Quarter 2 Benchmark Assessments - February 2022   | Metric Completed | 100%                       | Adjustments are made after data review  |  |
| Metric 3: Florida State Assessments (FSA) - May 2021  | Metric Completed | 100%                       | 2020-21 grad rate was 85%, down slightly from the year before (86%).  |  |
| GOAL 3: Increase the percentage of students meeting college and career acceleration, as defined by the state accountability model, by 2% points each school year.                                 |                  |                            | 19/20 acceleration rate was 52%. 20/21 acceleration rate was 63%, an 9% increase.   |  |
| Metric 1: Monitor College-level course pass rates - by Semester   | Metric Completed | 100%                       | Adjustments are made after data review  |  |
| Metric 2: Expanding course offerings in vocational programs   | Metric Completed | 100%                       | See March 12th Board Workshop presentation  |  |
| Metric 3: Increasing the number of students in college level programs   | Metric Completed | 100%                       | See March 12th Board Workshop presentation  |  |
| Metric 4: Industry Certification Pass Rate - July/August 2021  GOAL 4: Increase the percentage of students deemed Kindergarten ready by 2% each school year using documented                      | Metric Completed | 100%                       | Industry Certification Pass Rate for 2020-2021 School Year was 66%, an increase of 9% from 2019-2020. 21/22 KG readiness percentage was 47%, a 6.0% drop from |  |
| performance on the Florida Kindergarten Readiness Screener  Metric 1: State VPK Assessments - AP1 in September, AP2 in January, AP3 in May  | Metric Completed | 100%                       | 20/21. Note: the state dropped by 6.9% AP1 and AP2 both Metric Completed. Prepared to administer AP3 in May (DOE results in summer 2022)                      |  |
| Metric 2: Kindergarten Readiness Assessment (FLKRS) & iReady Assessment - First 30 days of new SY   | Metric Completed | 100%                       | APS III May (DOE results III suffiller 2022)  All KG screened this fall. 47% scoring KG ready in FLKRS.   |  |
| CURRICULUM & INSTRUCTION  |                  |                            |   |  |
| GOAL 1: Review and revise the PreK-12 literacy continuum & Narrow the achievement gap by continuing to develop unique innovative initiatives that create well-rounded education for ALL students  |                  |                            |   |  |
| Metric 1: Quarter 1 Diagnostic & Benchmark Assessments Metric Completed - November 2020   | Metric Completed | 100%                       | Adjustments are made after data review  |  |
| Metric 2: Quarter 2 Benchmark Assessments - 2021/2022   | Metric Completed | 100%                       | Adjustments are made after data review  |  |
| Metric 3: Florida State Assessments (FSA) - May 2022  | Metric Completed | 100%                       | Results in July 2022  |  |
| GOAL 2: Review and revise the current MTSS Behavioral and Academic Document to create a Framework that encompasses academics, behavior, social emotional learning and mental health by June 2021. |                  |                            |   |  |
| Metric 1: Five Sub-Committees Established and new Framework Metric Completed - December 2020  | Metric Completed | 100%                       | Academics, Attendance, Behavior, Life Skills, and Mental Health have all finalized their portion of the MTSS plan.  |  |
| Metric 2: Sub-Committees review and edit new Framework - February 2021  | Metric Completed | 100%                       | All plans have been merged into the District Framework for MTSS for students  |  |

| Metric 3: New Framework finalized - April 2021   | Metric Completed                        | 100%  | Completed  |  |
|--|---|-------|--|--|
|  |   |       | ·  |  |
| Metric 4: Training on new Framework implemented District-wide - August 2021  | Metric Completed                        | 100%  | New framework developed. Ongoing trainings underway  |  |
|  |   |       | with school-based MTSS coodinators. Further training   |  |
|  |   |       | modules in development for release in 22-23.   |  |
| GOAL 3: Establish professional learning systems to advance continuous academic improvements, promote collective  |   |       |  |  |
| responsibility for student achievement, and support alignment of educator goals, school improvement goals, and school district   |   |       |  |  |
| goals by August 2022.  |   | 2.0   |  |  |
| Metric 1: Align all schools and departments within the district to the redevelopment of the Professional Learning System - June 2021   | Metric Completed                        | 100%  | https://vimeo.com/521079657/c8b6b70cf8   |  |
|  |   | 0.4   |  |  |
| Metric 2: Analyze the needs of each business unit and develop a district wide training plan - December 2021  | Metric Completed                        | 100%  | A survey of need was conducted to develop a district-wide  |  |
|  |   |       | training plan. District wide training calendar was shared with each business unit's course creator and the needs that were |  |
|  |   |       | submitted were prioritized to inform district wide training  |  |
|  |   |       | offerings.   |  |
|  |   |       |  |  |
| Metric 3: Implement new training plan including communication and support structure - January 2022   | Metric Completed                        | 100%  | Training plan templates were designed for multi tiered   |  |
|  |   |       | rollout; communication streamlined through use of<br>Professional Learning page on intranet; trainings identified          |  |
|  |   |       | by topic and by role in the system; supported by 196 course  |  |
|  |   |       | creators and 88 professional learning liaisons.  |  |
| Metric 4: Infrastructure established and new professional learning system is in place - June 2022  | Metric Completed                        | 100%  | Infrastructure established for structure of support (roles and   |  |
| and the second s | - I I I I I I I I I I I I I I I I I I I |       | responsibilities identified for professional learning liaision,  |  |
|  |   |       | course creators, professional learning specialists)  |  |
|  |   |       | communication (intranet, templates, OneNote for team);   |  |
|  |   |       | standardized ways of work have been estabished to include  |  |
|  |   |       | operating procedures and consistency of processess within  |  |
|  |   |       | department; identifying master traniners; developing   |  |
|  |   |       | faciliator tranings; and review and evaluation of training plans to ensure quality trainings across the distrct.           |  |
| GOAL 4: Improve our eLearning structure to maximize online learning for our students, teachers and families  |   |       | plans to chaire quality trainings across the distret.  |  |
| Metric 1: Professional learning for eLearning instructors  | Metric Completed                        | 100%  | On-going professional learning opportunities; See Spring   |  |
|  |   |       | Education and Assurances Plan (Jan 2021); ICP grant received   |  |
|  |   |       | (Fall 2021) through Department of Education  |  |
| Metric 2: Work with non-profits on equitable access to WiFi/Internet   | Metric Completed                        | 100%  | MCF and MEF grants have been awarded and T-Mobile  |  |

| GOAL 1: Strengthen and secure school and district facilities.  |                         |       |   |  |
| Metric 1: Phase 1 Fencing Project Metric Completed; Phase 2 underway - to be completed by July 2022  | In-progress             | 75%   | Construction underway; materials delayed due to covid   |  |
| Metric 2: FSSAT Metric Completed to Office of Safe Schools - Annual requirement  | Metric Completed        | 100%  | Annual summer project completed   |  |
| Metric 3: CCTV Security Camera Project - Most schools completed - 3 final schools by June 2022   | Metric Completed        | 100%  | Work is progressing - final schools to complete   |  |
| GOAL 2: Promote and maintain school-wide safety and minimize the effects of emergencies and other dangerous situations   |                         |       |   |  |
| through emergency preparedness on how to prevent, prepare, respond and recover in the face of emergencies and disasters.   |                         |       |   |  |
|  |                         |       |   |  |
| Metric 1: Conduct Active Assailant Table-Top Excercises at all schools - May 2022  | Continue in new         | 60%   | 26 schools completed working on completing all schools  |  |
| Materia & Anthon Associated December 1, 1981 and | plan.                   | 1000/ |   |  |
| Metric 2: Active Assailant Response Training to all employees - November 2021  | Metric Completed        | 100%  | Drills also conducted monthly at schools and sites  |  |
| Metric 3: Work towards becoming NIMS compliant - August 2022   | Continue in new         | 25%   | Delayed due to COVID-19 Pandemic - FEMA training required   |  |
|  | plan.                   |       |   |  |
| Metric 4: Develop school specific Comprehensive All-Hazards Emergency Management Plans for all schools - June 2023   | Continue in new plan.   | 30%   | Generic template completed to be used by all schools - 8 schools completed  |  |
| TECHNICLOCY & INNOVATION   |                         |       |   |  |
| TECHNOLOGY & INNOVATION  |                         |       |   |  |
| GOAL 1: Maintain a technology refresh plan that provides equitable, sustainable, and relevant technology resources to all students and staff.  |                         |       |   |  |
| Metric 1: All schools notified of 2020-2021 refresh devices per school   | Metric Completed        | 100%  |   |  |
|  |                         | 20070 |   |  |

| Metric 2: All (49) new media centers renovated and technology upgrades   | Continue in new       | 57%  |   |  |
|--|-----------------------|------|---|--|
|  | plan.                 |      | See Technology Plan for remaining schools. On target for completion as communicated in Technology Plan.   |  |
| Metric 3: Middle and High School panel installation  | Metric Completed      | 100% |   |  |
| Metric 4: Remaining 2,800 targeted legacy devices scheduled for delivery   | Metric Completed      | 100% |   |  |
| Metric 5: Install Classroom Displays in Elementary Schools - Phase 1   | In-progress           | 85%  | Ontrack and ahead of schedule. Expected Completion by January 2023 - see Board Approved Technology Plan   |  |
| Metric 6: Implement and maintain a sustainable digital device platform   | Metric Completed      | 100% | See Technology Computer Refresh Plan  |  |
| GOAL 2: Implement and sustain a modernized communication system infrastructure for all schools.  |                       |      | 37  |  |
| Metric 1: Centralized ID Badging Project   | Metric Completed      | 100% |   |  |
| Metric 2: New VOIP system infrastructure at all schools - June 2023  | In-progress           | 85%  | 47 schools complete - Effective January 4, 2022 one school per week will be installed and implemented through project completion in June 2022. Project scheduled to be completed 1 year ahead of schedule.  |  |
| Metric 3: New Public Address/Intercom Infrastructure at all schools - June 2023  | In-progress           | 91%  | 50 schools complete as of April 2022. Average 2 schools completed per month. Project completion targeted for completion June 2022. Project scheduled to be completed 1 year ahead of schedule.  |  |
| Metric 4: Install Digital Marquee Outdoor Signage at select schools  | Continue in new plan. | 42%  | Funding added to 5 year Capital Plan - starting in SY 2021-2022. Priority/Schools approved by cabinet May 2021. 13 schools complete as of 5/17/22. 6 schools pending completion by 6/30/22. 13 schools scheduled for completion during 22-23 fiscal year. |  |
| Metric 5: Integrate new early warning system in all schools - August 2021  | In-progress           | 80%  | MTSS FOCUS integration oustanding. Projected pilot school implementation - Fall 2022  |  |
| GOAL 3: Delivering powerful business intelligence dashboards for rapid and secure student data reporting.  |                       |      |   |  |
| Metric 1: Phase 1 completion of Academic Dashboard   | Metric Completed      | 100% |   |  |
| Metric 2: Phase 2 completion of Academic Dashboard - August 2022  GOAL 4: Improve the productivity of all staff by providing cost efficient and innovative technology solutions. | In-progress           | 80%  | Teacher Dashboards Developed and Testing Phase has started.   |  |
| Metric 1: MYSDMC SSO   | Metric Completed      | 100% |   |  |
| Metric 2: MYSDMC FOCUS APP   | Metric Completed      | 100% |   |  |
| Metric 3: SDMC new INTRANET - August 2021  | Metric Completed      | 100% |   |  |
| Metric 4: New online transcript portal   | Metric Completed      | 100% |   |  |
| Metric 5: Digitize active and inactive student/staff records - June 2023   | Continue in new plan. | 40%  | Existing Digital records (LEGACY) conversion process completed. Paper based records scanning satrted on March   |  |
| GOAL 5: Provide a safe, secure, consistent, and seamless connectivity experience to all users supporting the educational go of all schools.                                      | pals                  |      |   |  |
| Metric 1: 1:1 access points in all classrooms  | Metric Completed      | 100% |   |  |
| Metric 2: Increase INTERNET capacity to 10GB   | Metric Completed      | 100% |   |  |
| Metric 3: MYSDMC SSO Parent Portal   | Continue in new plan. | 25%  | Scheduled for July 2023. Planning and IT kick off meeting completed.  |  |
| Metric 4: FIBER Infrastructure Upgrade   | Continue in new plan. | 50%  | RFP/ERATE Forms Posted December 2021. Board Approved and Project Completion targeted for June 30, 2023.   |  |
| Metric 5: ERATE Network Infrastructure Upgrades at eligible schools - June 2023  | Continue in new plan. | 50%  | See Board approved Technology Plan for timeline   |  |
|  |                       | 0/   | - · · · · · · · · · · · · · · · · · · ·   |  |
| Metric 6: Evaluate on premise enterprise applications and systems for cloud readiness annually   | Metric Completed      | 100% |   |  |

| Metric 8: Evaluate and complete cabling infrastructure retrofit projects at select schools to increase bandwidth and improve user experience   | Continue in new plan. | 10%  | Planning has started. Targeted school selection Fall 2022. Cabling retro fit would begin in 23/24 FY for ERATE funding purposes.  |  |
|--|-----------------------|------|---|--|
| ENERGY MANAGEMENT  |                       |      |   |  |
| GOAL 1: Develop low-cost best practice solutions to implement across the school district to reduce energy consumption to move the district towards being Energy Star/LEED certified. |                       |      |   |  |
| Metric 1: Create a Sustainability Committee - December 2020  | Continue in new plan. | 50%  | Committee composition under evaluation. Goals of committee being established. Meetings/progress impacted by COVID.  |  |
| Metric 2: Review/audit energy and water consumption District-wide - August 2021  | Metric Completed      | 100% | Data has been entered into utility tracking software. Staff reorganization has occured to provide additional support to program. Currently identifying the top users to target reduction/incentive measures.  |  |
| Metric 3: Develop solutions to reduce energy and water usage - August 2021   | Continue in new plan. | 50%  | Reviewing District HVAC runtime schedules. Developing inventory of Districtwide Campus Control Systems to determine capabilities. Working with Mechanical Systems and Manatee County Government to evaluate water meter sizing throughout the District. Lights out campaign in developemnt to redusce energy consumption through behavior of stafff and students. |  |
| Metric 4: Compare 2021/2022 data with 2020 data to see results   | In-progress           | 80%  | Data being entered into utility tracking software. Anaylsis under development.  |  |
| FINANCIAL TRANSPARENCY & CAPITAL PLANNING  |                       |      |   |  |
| GOAL 1: Maximize all district resources to enhance the learning environment and ensure financial sustainability.   |                       |      |   |  |
| Metric 1: Add District Financials to the Data Dashboard - June 2021  | Metric Completed      | 100% | completed and on website  |  |
| Metric 2: Maintain reserves at 5 % by June 2021  | Metric Completed      | 100% | 5% met for FY 2020-21   |  |
| Metric 3: Post all current budget and financial information monthly on district website  | Metric Completed      | 100% |   |  |
| Metric 4: Monitor Florida budget for SY 2021-2022  | Metric Completed      | 100% | On-going - Posted Monthly   |  |
| GOAL 2: Build and maintain district facilities to provide the best quality education and services to our students, staff and   |                       |      | Reviewing Legislative results and Governor Budget   |  |
| community.  Metric 1: New Capital Plan approved by Board - October 2020  | Metric Completed      | 100% |   |  |
| Metric 2: New \$100M Capital Loan approved by Board - November 2020  | Metric Completed      | 100% | Control Bloom to blish and an annual  |  |
| Metric 3: Upgrade all district facilities by 2025  | Metric Completed      | 100% | Capital Plan established and approved  Capital Plan established and approved  |  |
| ADULT, CAREER & TECHNICAL EDUCATION  |                       |      |   |  |
| GOAL 1: Implement curriculum opportunities for students to learn <b>technical skills</b> with a wide range of strategies through their educational career.                           |                       |      |   |  |
| Metric 1: Offer industry certifications in all HS programs where industry certifications are aligned and approved by the State   | Metric Completed      | 100% | Currently 100% of our high schools offer industry certifications that are aligned and approved by the state.  |  |
| Metric 2: Develop additional pre-apprenticeships and internships including OJT   | Continue in new plan. | 50%  | Have hired Work-Based Learning Specialist who will start in June 2022.  |  |
| Metric 3: Grow the partnerships between CTE programs and business and industry through the development of advisory councils  | Metric Completed      | 100% | Work is progressing, almost all high school programs have had at least two advisory council meetings in 2021-2022.  |  |
| Metric 4: Provide opportunities for students to visit business and industry as well as post-secondary institutions to expose them to future careers                                  | Metric Completed      | 100% | This year due to ongoing COVID-19 concerns, we have been able to offer limited field trips and opportunities as COVID numbers have recently become more manageable.   |  |
| GOAL 2: Implement curriculum opportunities for students to learn <b>people skills</b> with a wide range of strategies through their educational career.                              |                       |      |   |  |

| Metric 1: Implement people skills into the CTE curriculum   | Metric Completed        | 100% | All CTE programs incorporate Career Ready Practices or     |  |
|---|-------------------------|------|--|--|
|   |                         |      | "People Skills" curriculum.                                |  |
| Metric 2: Develop additional career academies, smaller learning communities, and CTE programs                             | Metric Completed        | 100% | Added new programs and/or academies at Buffalo Creek,      |  |
|   |                         |      | Lincoln, Manatee, Parrish Community, Palmetto and          |  |
|   |                         |      | Southeast.   |  |
| Metric 3: Develop additional Career and Technical Students Organizations (CTSOs) at schools                               | Metric Completed        | 100% |  |  |
|   |                         |      | Completed with adding a CTSO chapter to all programs.      |  |
| Metric 4: Build opportunities for students to learn ethics and effective communications through CTSOs, OJT, job shawdows, | In-progress             | 90%  | Due to COVID-19, these oportunities are still not fully    |  |
| internships and relationships/mentorships with business and industry representatives                                      |                         |      | available. The CTSO events have taken place, but all CTSOs |  |
|   |                         |      | are experiencing a rebuilding year due to lack of          |  |
|   |                         |      | participation for 2 years.                                 |  |
|   |                         |      |  |  |
| MANATEE TECHNICAL COLLEGE   |                         |      |  |  |
| GOAL 1: Keep pace with the growth of Manatee County by expanding educational opportunities for students and business and  | I                       |      |  |  |
| industry.   |                         |      |  |  |
| Metric 1: Offer Associate of Science in Nursing Degree  | Delayed                 | 50%  | Depends on future Legislative Session/Grants and other     |  |
|   |                         |      | support  |  |
| Metric 2: Conduct a comprehensive local needs assessment  | In-progress             | 80%  |  |  |
|   |                         |      | Will be completed before end of PY2022                     |  |
| Metric 3: Secure funding for new main campus building   | Continue in new         | 40%  |  |  |
|   | plan.                   |      | Partial funds have been set aside for this effort          |  |
| GOAL 2: Expand workforce development education for high-skill, high-wage occupations to meet the local needs of our fast- |                         |      |  |  |
| growing economy.  |                         |      |  |  |
| Metric 1: Secure funding for new Aviation Maintenance Technician School at SRQ  | Metric Completed        | 100% |  |  |
|   |                         |      | Appropriation of \$5.5M approved                           |  |
| Metric 2: Secure funding for a FDLE Firing Range and Driving Facility   | <b>Metric Completed</b> | 100% | Estimated to break ground in 2022                          |  |
