Dear Parent/Guardian:

Manatee County Public Schools is committed to providing quality instruction for all students and does so by employing the most qualified individuals to teach and support each student in the classroom. All educators in the state of Florida are monitored to ensure that they meet certification and training requirements as mandated by law. All our teachers are certified to teach, although some of them are currently out-of-field and are working on additional areas of certification.

You have the right to know the professional qualifications of the teachers who instruct your child. Per Florida Statute 1012.42, when a teacher is assigned teaching duties out of the field in which the teacher is certified, the parents of all students in the class shall be notified in writing.

Federal law allows you to ask for certain information about your child's teachers and requires us to give you this information in a timely manner if you ask for it. The table below lists teachers who are currently out-of-field. If you would like more information, please contact your school 941-727-6100.
