1 Test Part

Title	4 Scale Score (Expanded Standard Score) (SS)	5 Achievement/Performance Level (AL)	6 Testing Window (ZTW)
FAST ELA Reading Overall Scale Score	326	4	PM1

4 Scale Score:

The Scaled Score (SS) is useful for comparing student performance over time and across grades. A scaled score is calculated based on the difficulty of the questions and the number of correct responses.

5 Achievement/Performance Level:

Level 1	Level 2	Level 3	Level 4	Level 5
Inadequate: Highly likely to need substantial support for the next grade	Below Satisfactory: Likely to need substantial support for the next grade	Satisfactory: May need additional support for the next grade	Proficient: Likely to excel in the next grade	Mastery: Highly likely to excel in the next grade

Please note: State Achievement Levels are based on end-of-year (PM3) mastery of standards. FAST Reading and Math assessments are computer-adaptive tests and students may not have learned all standards assessed by the PM1 and PM 2 Testing Windows.

6 Testing Window. There are three State Progress Monitoring windows:

- PM1: Progress Monitoring Window #1 (Fall)
