20__~20__ CHAPTER STEER OR BEEF BREEDING EXHIBITOR APPLICATION

(please turn in your general barn housing application with this form)

Evaluation Criteria

Additional pages should be attached to this application

What are my expectations?

A chapter steer exhibitor would be expected to manage feed, water and overall maintenance of swine area, in cooperation with the ag teacher(s). They would be responsible for feeding and cleaning the stall twice a day and working with the steer at least once a day. Also, they would be responsible for notifying the ag teacher(s) with any questions, concern or needs for feed, etc. The exhibitor will also be responsible for all care of the steer while at the county fairgrounds. Time frame would be September _____ through January _____
