

## PCHS Newspaper Journalism Application

In the Newspaper Journalism course, students will study aspects of journalism, to include interviewing, reporting, research, newswriting, editing, photography and publishing. Students will produce articles and other newsworthy content that will be published in *The Bulletin* newspaper in a digital format (print as needed) as well as in The Bullpen, on social media. Students in this course should be comfortable communicating with others and must have strong language and writing skills, which serve as the foundation to additional learning of Associated Press style and Inverted Pyramid news structure. Journalism students also must have access to a digital camera (or a cell phone/tablet with a built-in camera), as well as have transportation/availability to periodically attend events at Parrish Community High School, outside of school hours.

Complete the front of this application, including obtaining your parent's signature. Then, ask your most recent English teacher to complete the back. Follow up to ensure that he/she has given it to Ms. Lancaster, in Room 5-126 [lancasterc@manateeschools.net](mailto:lancasterc@manateeschools.net). Please submit the application and a writing sample that demonstrates your skills to Ms. Lancaster, with your name and grade level at the top, by **March 14, 2025**.
