# Technology Student Association

The Technology Student Association (TSA) is a national student organization where members are engaged in extra-curricular activities and competitions to develop STEM (science, technology, engineering, and mathematics) skills. Members also develop leadership skills while building confidence and enhancing personal development. Students do not have to be in the TSA elective class to be a member of TSA.

**Requirements**
- Open to any student enrolled at Nolan with "C" average or better with no Ds or Fs, clean behavioral record with no long-standing history of poor judgement.

**Membership, Fees, and Expenses**
- There is a membership fee that will cover part of the cost of State and National TSA dues.
- There are additional costs for travel expenses to attend conferences and competitions and to have official TSA attire.

**Meetings and Open Lab Hours**
- TSA members meets every Wednesday 4:15=5:15 Room 309 (Tech Room)
- Members should attend all informational meetings either in person.

**Conferences and Competitions**
- There are four events throughout the year. There is a Leadership conference in the fall for students interested in becoming an officer, a one-day local district competition in the Winter, the main state competition in Spring, and the national competition in the summer.
- Members should decide early in the year if they will be attending competitions.
