4th & 5th Grade Shark Bites

4th Grade

Written by: Campbell Hall

Fourth grade just started their Katie DiCamillo Unit. They are working on Florida History and learning about Native Tribes. They are enjoying their 4th grade science lab. In math, they are working on mastering their multiplication facts. They also started their first multi paragraph essay where students are writing all that they are thankful for in their lives.

Mr. Peters is Harvey's Educator of the Year! Mr. Peters has worked for the school district since 201K. He has been servicing Exceptional Students in various roles as an ESE Aide, a behavior Technician, qE Classroom Teacher and now as our ESE Resource Teacher. He believes in fostering each child's individuality with engaging hands on lessons, bringing learning to life!
