

Back TO School

**STOP
DROP
ROLL**

When the times change, Sharks adapt. This year we are unable to host a traditional “Back to School” night. That is why we have invented the “Sharks Stop Drop and Roll” evening. Be sure to read the following instructions to help make the process safer, faster and as simple as possible. Below you will find a schedule for individual teachers.

Step 1

Locate your child’s teacher in the chart below, note the date and time.

Step 2

Locate your child’s supply list on the Harvey website.

Step 3

Put the supplies in your car and drive to the school on the appropriate day.

Step 4

Drive to the assigned campus location and spot your teacher.

Step 5

Roll down the passenger side window and pop your trunk.

Step 6

BRIEFLY talk to the teacher. **PLEASE DO NOT GET OUT OF THE CAR!!**
