THE HAWK'S LANDING

Breakfast and lunch is served each day.

Breakfast - no charge
Lunch - \$2.75

There are always healthy options.

WHAT TO EXPECT THE FIRST DAY

Look for your homeroom;
lists will be organized by name and by Grade in the Gym and the café'.

YOUR HOMEROOM TEACHER WILL GIVE YOU YOUR SCHEDULE.

WE LOOK FORWARD TO SEEING YOU SOON.

National Junior Honor Society

These outstanding 7th and 8th grade students excel in all classes and embrace the National Junior Honor Society's 5 pillars. NJHS activities include being BCMS ambassadors, school leaders, supporting all school activities, creating global community service projects, and mentoring peers.

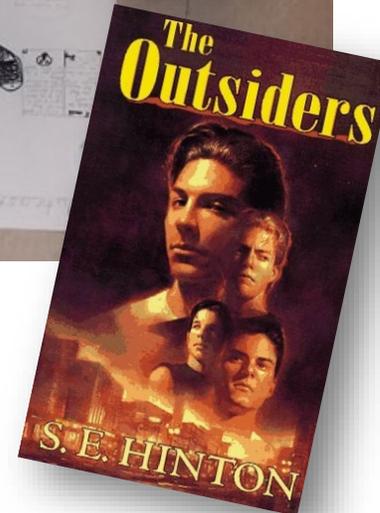

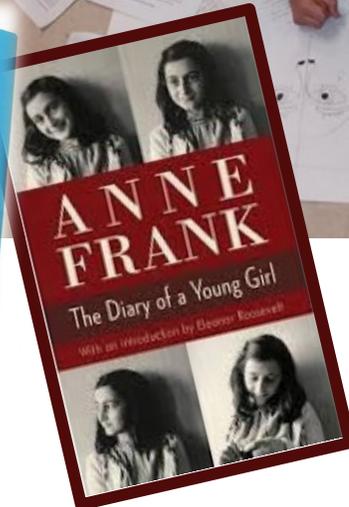

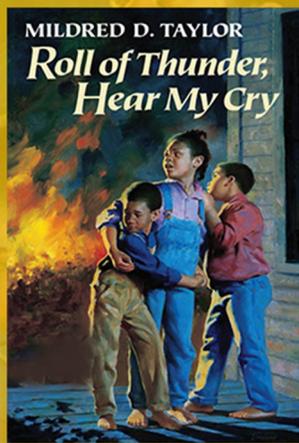

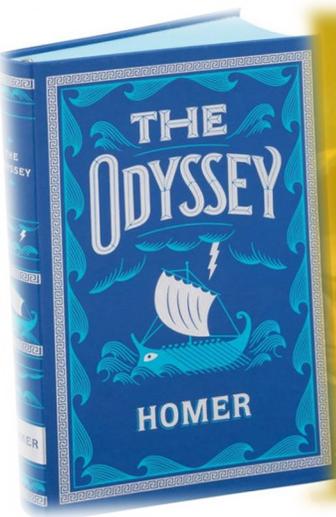

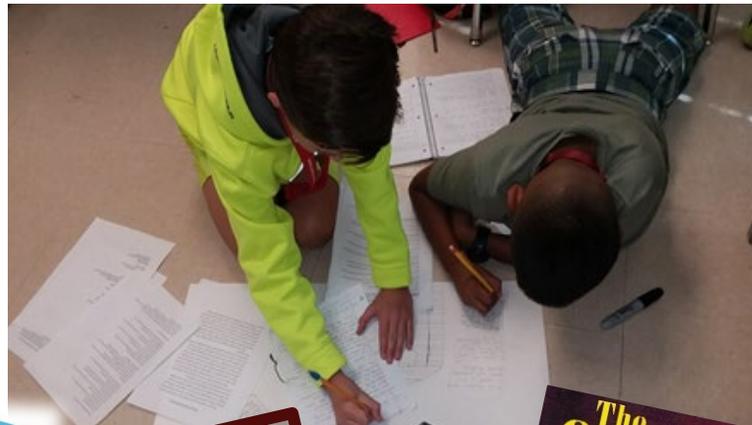

LANGUAGE ARTS & READING

"There is no friend as loyal as a book."
— Ernest Hemingway

"If there's a book that you want to read, but it hasn't been written yet, then you must write it."

— Toni Morrison

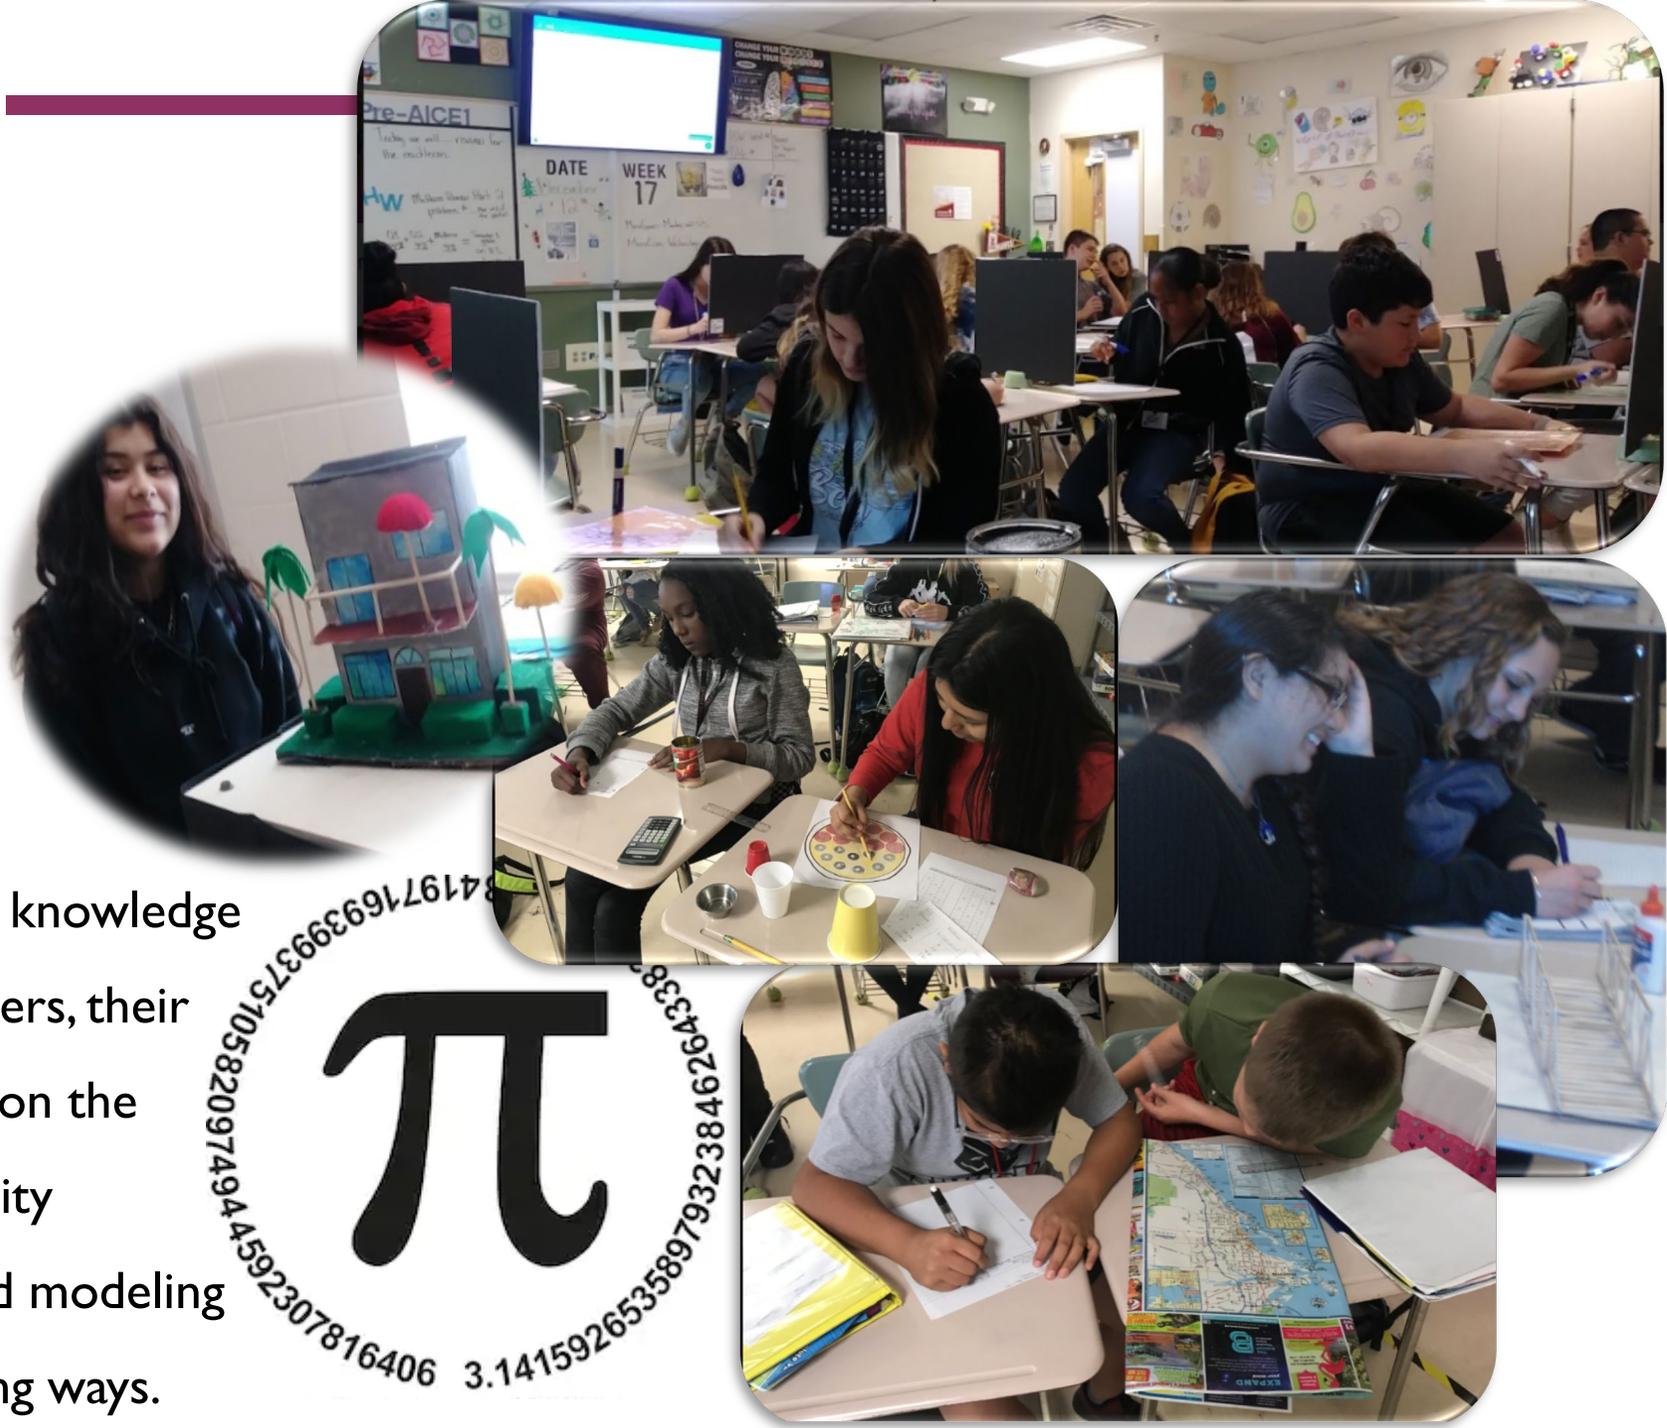

Using a variety of literary genres including, short story, poetry, novels, drama, nonfiction and other media formats, our Language Arts and Reading courses emphasize the fundamental skills of writing, speaking, listening, viewing, thinking and presenting.

MATHEMATICS

Mathematics at Buffalo Creek makes connections to and expands upon much of the content students have learned throughout their lives.

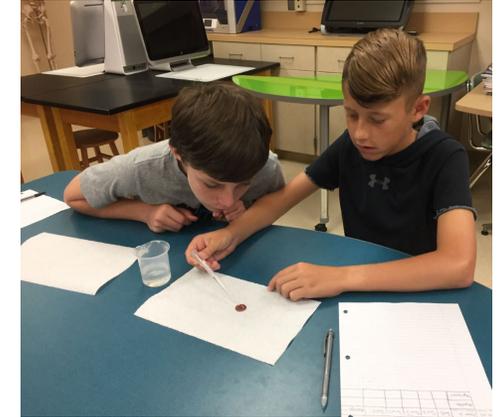

Here, students are taken from a basic knowledge to an intuitive understanding of numbers, their magnitude, relationships, and impacts on the world during explorations of probability and statistics, dimensional analysis, and modeling their understanding in fun and engaging ways.

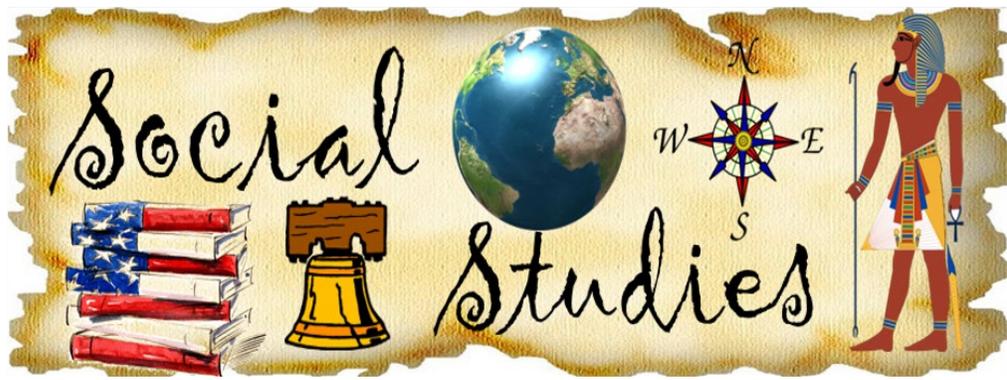

SCIENCE

Middle school science integrates earth science, life science, and physical science. Science classes balance hands-on activities, textbook work, technology, and class discussions. Science students explore our world around us and answer questions based on phenomena using facts and evidence.

Buffalo Creek students will become detectives and search for clues to help understand why the world has become what it is. Throughout their middle school experience, they will discover exciting details about fascinating civilizations, the American Revolution, and how our government systems work. Students will create fun projects like making artifact models, reenact key moments in history, hold mock court proceedings, and advocate for their views with state and national elected leaders, as well as experience lawmaking firsthand by participating in a Model House of Representatives.

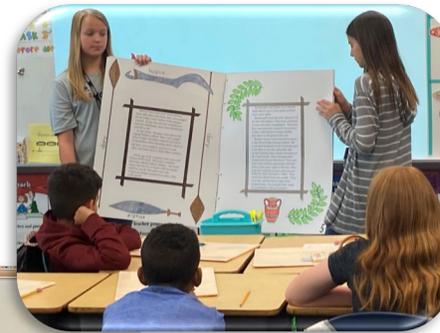

At Buffalo Creek, Social Studies courses are fun and engaging classes that will equip students with an understanding of the past and present in a way they never have before.

Model House of Representatives

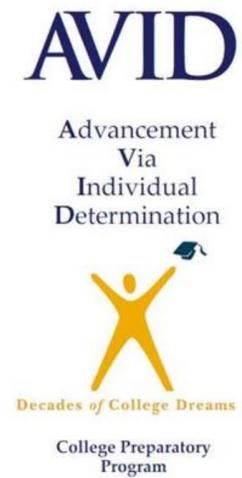

Hawks advocate for what they believe in; pictured below is Leila Payne meeting with State Representative Gregory to share her ideas for a law.

Books on Ancient Greece

AVID AT BCMS

**AVID helps you in the
now, to figure out
and prepare
for the later!**

Get Organized!

In AVID we help you get organized so that you aren't falling behind in class.

Plan your Future!

We help you learn about college and plan out the steps you need to achieve your goals!

Learn to Learn!

We also help you learn about how you learn best! We offer study and note taking tips to make you successful!

STUDENT TESTIMONIALS!

My favorite part about AVID has to be how much the class prepares you for your future. It helps you figure out what could be helpful for the career you want to do.

My favorite part about Avid is that it is a great learning environment, and you can be yourself

My favorite part of Avid is it is a safe environment. My teacher is always open to helping me become my best..

 Opportunity to join the Tri-M Music Honor Society

Orchestra

Music is a more potent instrument than any other for education, because rhythm and harmony find their way into the inward places of the soul.

~ Plato

Tri-M[®] Music HONOR SOCIETY

Tri- M is an international honor society for middle/junior-high and high school students. This National Association for Music Education (NAFME) program recognizes students for their academic and musical achievements, rewards them for their accomplishments and

service activities, and inspires other students to excel at music and leadership. Tri-M[®] offers many different advantages: not only does it create community within our music department, it also benefits our school and community as well.

PE UNIFORMS ARE REQUIRED TO PARTICIPATE IN CLASS.

BEFORE & AFTER SCHOOL CARE

the 
YDASH - MIDDLE SCHOOL AGE

RESERVE YOUR SPOT NOW!

The YDASH Program offers students the opportunity to experience extracurricular activities while learning new skills and building relationships in an educational environment. Along with giving middle school students a safe place to be after school, the YMCA focuses on presenting the student with an array of speakers and activities that will spark creative thinking and endless possibilities. Activities vary by site but include homework time, group games, sports, arts & crafts, character development and special interest clubs.

PROGRAM BENEFITS:

- Fitness Classes
- Volleyball
- Flag Football
- Tackle Football
- Soccer
- Service Learning Opportunities
- Academic Homework Time
- Volunteer Opportunities
- Basketball
- Cheerleading
- School Day Off Program
- Summer camp
- Arts

RECEIVE YOUR MEMBERSHIP BENEFIT NO LATER THAN 7 DAYS AFTER YOU REGISTER FOR YDASH!

(Note: Discount may be applied to upgrade your membership based on full-time student membership fee. One discount per family.)

YMCA MISSION: *To put Christian principles into practice through programs that build healthy spirit, mind, and body for all.*

ManateeYMCA.org
