### **Important Points**

- No backpacks are allowed during early release days. Please continually communicate this to students.
- Students should not be sent to another class during scheduled exam period. If they need to see another teacher, they should do it during morning brunch.
- Media Center is closed.
- We do not allow students to leave during exam periods. Please ensure that you plan your exam to take most of the class. This will limit off-task behavior in your room.
- No exams may be given early.
- Makeup exams can be given during morning brunch, study hall, or after school at the teacher's discretion. If a student does not make up exams before the last day, they will need to call and coordinate a time with administration during the summer.

**Thank you for maintaining school policies, procedures, and rules during exam week.**
