## Consent and Release from Liability Certificate (Page 2 of 2)

This completed form must be kept on file by the school. This form is valid for 365 calendar days from the date of the most recent signature.

## Attention Student and Parent(s)/Guardian(s)

- 1. This form is non-transferable; a separate form must be completed for each different school at which a student participates.
- 2. Must be regularly enrolled and in regular attendance at your school. If the student is a home education student, a charter school student, a special/alternative school student, non-member private school student or Florida Virtual School Full-time Public Program student, the student must declare in writing his/her intent to participate in athletics to the school at which the student is permitted to participate. Home education students and students attending non-member private schools must be approved through the use of a separate form prior to any participation.
- 3. Must attend school within the first 10 days of the beginning of each semester to be eligible during that semester.
- 4. Must maintain at least a **cumulative 2.0 grade point average** on a 4.0 unweighted scale prior to the semester in which the student wishes to participate. This GPA must include all courses taken since the student entered high school.
- 5. Must meet SDMC policies in reference to dicipline.
- 6. Must undergo a pre-participation physical evaluation and be certified as being physically fit for participation in interscholastic athletics.
- 7. Must have signed permission to participate from the student's parent(s)/legal guardian(s) on a form provided the school.
- **8.** Must be an amateur. This means the student must not accept money, gift or donation for participating in a sport, or use a name other than his/her own when participating.
- 9. Must display good sportsmanship and follow the rules of competition **before**, **during and after** every contest in which the student participates. If not, the student may be suspended from participation for a period of time.
- **10.** Must not provide false information to his/her school to gain eligibility.
- 11. Youth exchange, other international and immigrant students must be approved by the SDMC office prior to any participation. Exceptions may apply. See your school's principal/athletic director.
- 12. Must refrain from hazing/bullying while a member of an athletic team or while participating in any athletic activities sponsored by or affiliated with a member school.

If the student is declared or ruled ineligible due to one or more of the SDMC rules and regulations, the student has the right to request that the school file an appeal on behalf of the student. See the principal or athletic director for information regarding this process.

By signing this agreement, the undersigned acknowledges that the information on the Consent and Release from Liability Certificate in regards to the SDMC's established rules and eligibility have been read and understood.
