FAST Grade 7 Math	Grade 7, Pre-Algebra Success
FAST Grade 8 Math	Grade 7 Accelerated, Pre-Algebra
Algebra End-of-Course (EOC)	Algebra 1, Algebra 1 Honors
Geometry End-of-Course (EOC)	Geometry, Geometry Honors

Key				
Traditional course pathway	Additional course pathway	Elementary-level course	Middle School-level course	High School-level course

*Placement into upper-level math courses should be determined in collaboration between families and schools based on student's individual college and/or career goals. Upper-level math course offerings will vary by school and special programs (e.g., career pathways, AP, AICE, IB).

Please view the course catalog for your student's school to see the most accurate list of course offerings and recommendations for enrollment.

Note: High school AP, AICE, and IB math courses administer course exams for enrolled students.
