Future Business Leaders of America (FBLA)

Dear Students and Parents:

Greetings from Future Business Leaders of America! Future Business Leaders of America, or FBLA, is a student organization, dedicated to making today's middle school students, tomorrow's business leaders. Through leadership opportunities, competitions, conferences, and social activities, FBLA will not only make your middle school years memorable, but also prepare you for FBLA at the high school and collegiate levels.

As the Buffalo Creek Middle School (BCMS) FBLA Advisor/Teacher, I would like to welcome you to join an organization in which over 250,000 members already take great pride in. FBLA's soul objective is to prepare students for careers; not just in business, but in any career where leadership, enthusiasm, and creative thinking are necessities.

FBLA consists of many levels in which members can take part in, from fall leadership conference, District, State, and National competitions.

Students will be able to compete in FBLA's competitive events, while also participate in inspiring online seminars and learning experiences. Students who qualify in their respective events have the same opportunities to progress and grow through all FBLA leadership conferences and workshops at all levels.

FBLA brings with it not only opportunities, but results and rewards. Metals, trophies, plaques, and recognitions are given not only for individual events but for team events as well. Not only can you receive awards for competitive events, but with FBLA, leadership and business become real life situations. With the hundreds of ways its members can succeed, FBLA is the perfect club and class for someone who is looking to try to be involved in new opportunities and experiences which can lead to being Future Business Leaders..

To get involved with BCMS FBLA, just fill out the attached application and join the first FBLA class at Buffalo Creek Middle school for the 2024-2025 school year. Please return the application by February 28th, 2024 to Dr Anderson room 2-207 as class size is limited,
