

# Parent-School Compact

**Blackburn Elementary staff** is committed to provide a safe environment, which instills confidence, promotes risk-taking, encourages initiative and meets the unique needs of all students.

---

## WE WILL COMMUNICATE!

**You will receive frequent reports on your child's progress through:**

- Parents-teacher conferences, report cards, progress reports
- Assessment results (FSA, district, grade level, and ongoing teacher assessments)
- Samples of your child's class work
- Agenda updates, phone calls, emails, text

## WE ARE COMMITTED!

**Committed to:**

- Continuous professional development
- Analyzing individual student data and differentiate instruction
- Implementing standard and research-based instruction and best practices

## WE WELCOME YOU!

**Please feel welcome to volunteer at school. We need your help with:**

- Classroom volunteering (reading support, special projects, as needed)
- Fundraisers, SAC membership
- Field trips, special school assemblies and events, and parent/student workshops

## WE NEED YOU!

**We are depending on you to:**

- Have your child to school on time each day
  - Support by participating with interactive homework and ensure uninterrupted daily reading at home
  - Respond to school communications, sign agendas, and attend scheduled meetings
  - Participate in decisions regarding your child's education (SAC)
  - Attend parent events and provide feedback on our parent involvement activities
  - Complete the Annual Needs Assessment for our school
  - Ask for help when you or your child needs it.
- 

Partnering with us will improve your child's education. Overwhelming evidence shows that when you are involved in and support your child's education, he/she will be more successful, perform better on tests and go on to higher education.

**Join us and commit to giving your child every possible chance for academic success!**
