

Moody Elementary Car Rider Pickup Map

To pick up a student as a car rider, the driver must have the Car Rider Hang Tag. This is a safety procedure so that only those authorized to pick up a student are able to do so. If you do not have a Car Rider Hang Tag with the child's age and grade, you will have to park and go to the front office to get a Hang Tag to pick up the student. Hang Tags will be provided in the Car Rider line the first day of school.
