### The Moody Minute

Dear Moody Families,

We thank you for your cooperation during this first quarter of school. We know that COVID protocols have caused everyone to adjust. But, together we are working to ensure the success of each student.

There are three critical things you can do to make sure that all students and staff stay well and have the best opportunity to attend school every day.

- #1: If your child is sick, please keep them home.
- #2: If your child or anyone in your family is COVID positive, please make sure you contact us so we can explain the quarantine procedures to you.
- #3: If your child or anyone in your family is waiting for COVID testing results, please keep your child home until you receive the results of the test.

We want to remind all families of some important transportation procedures. If you wish to pick your child up from school early, you must pick them up before 2:45. After that time, we are beginning dismissal procedures and students are not in their classrooms. Also, remember that ANY person who picks up a student from the car rider line must have a Moody Car Tag. This is to ensure that only those people who are authorized are able to pick up a child. Finally, remember that car rider dismissal ends at 3:45. Please make sure you pick up your child by 3:45. If you are going to be late, please call the front office to notify us of the time you plan to arrive. Any students not picked up by 3:45 will be moved to the front office.

On October 7, we will provide a 6:00 Teams meeting to show families how to create a Focus account and access information for your student such as their report card. Report cards are no longer sent home and you will need a FOCUS account to access your student's report card. Please return the bottom portion of this newsletter if you would like to join us.

Also on October 7, we will have a School Advisory Council meeting at 5:30 on Teams. We are looking for Moody parents/community who are willing to work with us on the safety and learning at Moody.

We are asking every parent who is interested in attending these meetings to complete and return the bottom portion of this newsletter. Return one slip for each student.
